ABOUT THE AREA

Ransom Canyon is a small town built around Lake Ransom Canyon, a reservoir in Yellow House Canyon. Homes sit along the water and on the canyon rim, with lake, canyon and open-sky views that are rare on the South Plains.

Most homes date from the late 1960s through the 1990s, with some newer custom builds. The town is also home to the late artist Robert Bruno's sculptural Steel House on the canyon rim.
